## We delivered...

of children returned to an ActivAte club this summer

My child loved the social aspects and physical

exercise. The challenges given by the club were fun

and entertaining.

- A parent from Braintree

of young people were not participating in the 🖊 recommended 60-minutes of physical activity a day before attending an ActivAte club

Essex Summer 2

12,000 young people & children supported

87%

year olds

5 - 11

Every activity at this site means that every child can be the best version of themselves. - Provider

Over 100,000 spaces

delivered by 100 organisations

across 175 clubs

...As a result

of young people were new to ActivAte this summer
