

# WALK AND TALK

## Mental Wellbeing Week

TOOLKIT

# 5 STEP GUIDE TO HOST EVENT

1. Map out a 1 mile walk around the school playground or field. You could use flags or cones to mark the route, but make sure you include the half-way point!
2. Spilt the students into groups of two and hand one of them the 10 topic card questions to use whilst they head out on their walk.
3. One at a time, set the pairs off on the walking route, with one student asking the questions to their partner.
4. When the pair reach halfway, get the pairs to swap so the other student is asking the questions. The half way marker will help prompt the students to do this.
5. At the end, ask the students to say something that they found out about their partner, and what the benefits of walking and talking have been.

More information and ideas can be found [here](#).

# 5 BENEFITS OF WALKING & TALKING
