

Essex Community Sport Improvement Plan

Active Essex and the National Governing Bodies of sport (NGB) are dedicated to enhancing community sport for all. We are committed to addressing long-standing barriers to participation and supporting the sector to thrive. Our collaborative efforts focus on four key areas: Equality, Diversity, and Inclusion (EDI); Safeguarding and Welfare; People (Participants & Workforce); and Facilities.

Equality, Diversity, and Inclusion (EDI)

Commitment

We are dedicated to creating an inclusive environment where everyone, regardless of background, can participate in and enjoy sport.

Safeguarding and Welfare

Commitment

We will create support mechanisms for the safeguarding workforce, ensuring the safety and well-being of all participants is our top priority.

We will do this through:

- Learning & Development
- Policies, Procedures & Practices.
- Marketing & Communications
- Culture Change

People, Workforce and Participants

Commitment

We aim to support and develop both participants and the workforce to enhance their experience and performance.

Facilities

Commitment

We strive to ensure that high-quality, accessible facilities are available to all communities.
