

October Half Term Club Information 2026

Funded by Essex County Council and delivered by Active Essex, Essex ActivAte half term programmes run during the February, May and October half term holidays. The programme offers a limited number of free places for children and young people who would benefit most from extra support. Clubs usually run for 2-3 days and provide a range of fun activities, including sports, crafts, outdoor adventures, dance and more, alongside healthy meals and snacks. Free places are available for children eligible for free school meals, pupil premium or certain income-related benefits, while some clubs may also offer paid places. To book, simply visit the Find Your Active Activity Finder on the Active Essex website, select the relevant half term programme and contact the club directly using the details provided.

Please note that half term programmes operate separately from the Department for Education's HAF programme, so voucher codes and referral forms are not required.

Essex ActivAte Half Term Booking Terms and Conditions

- Places are limited and allocated on a first come, first served basis
- Priority is given to children and young people who are on income-related free school meals and would benefit most from additional support
- If you have any questions about a specific club, activity, booking or session, please contact the club provider directly using the contact details listed
- If your child can no longer attend, please notify the club as soon as possible so the place(s) can be offered to another family
- Parents and carers must provide accurate booking, medical, dietary and emergency contact information
- Children are expected to attend all booked sessions and behave respectfully towards staff, volunteers and other participants
- Activities, dates, venues and session times may be subject to change due to unforeseen circumstances
- Clubs reserve the right to amend or cancel sessions where necessary
- By booking a place, parents and carers agree to these terms and conditions
